--- Task 1
In the "real world", large organizations (both public and private) get work done by hiring
contractors through an RFP (Request for Proposal) process. Perform the following:
    1. Define the term, RFP and very briefly explain how the RFP process is used for hiring
contractors.
    2. Look at the "Pliego de Requisitos" from the RFP, CFE-0104-CACON-0030-2025 (34 pp.) Translate
the first seven (7) paragraphs from page one (1) of this document into English. These paragraphs are   very
short; in one case just a single line.

--- Task 2
Read the excerpt (Preface and Introduction) from Amartya Sen's, "Freedom as Development" and answer the
following questions,
    1. Sen notes that "unfreedoms" rob individuals of agency and therefore contribute to miseries of one
kind or another. List three (3) broad categories of unfreedoms.
    2. Sen argues that development must have a broader definition than simply economic enhancement.
What is Sen's definition of development?
    3. According to Sen, what are the five (5) distinct types of freedoms and why are they synergistic?
    4. Does Sen commend or chastise the role of markets?

--- Task 3
Read Chapter 3 and Chapter 4 of "Bless Me, Ultima." Select and answer five (5) questions from the list of
questions for Chapter 3 and five (5) questions from the list of questions for Chapter 4. See the document,
"UTECA_StudyGuide_Bless-Me-Ultima.txt" for the list of questions for each chapter. Be sure to format your
answers correctly (see Marron_StyleGuide_25-3.pdf).
